

International Certified Gambling Counselor Certification (ICGC-I/II)

Training Outline

The ICGC-I (30 hours) & ICGC-II (60 hours) training is our flagship certification. This training is designed to address education, prevention, & treatment interventions for working with problem and disordered gambling as a primary and/or secondary diagnosis. This certification is intended for clinicians that work in prevention or clinical settings with the ability to effectively screen, intervene, and/or refer for the treatment of gambling disorders. This certification also requires obtaining specific hours in a clinical setting, working with a BACC, and passing the Certification Examination for Gambling Counselors.
